

Thunder Bay Kennel & Training Club
June 14-16, 2019
Judging Schedule and General Information
all times listed are for Eastern Daylight time

Building Hours and Set-up Times

The show building will be open for exhibitor set-up at 6pm -10 pm Thursday June 13, 2019.

The building will be open at 7:00 am each day.

The building will close at 10 pm each night and 2 hours after BOS on Sunday.

Please note that no dogs are allowed behind the boards or around the top behind the bleachers.

Exercise pens will only be allowed in the reserved grooming areas.

In the unreserved grooming areas, as we are restricted in space, exhibitors may be asked to remove extra items like chairs, etc. if we need to squeeze in additional exhibitors.

Power is also limited, so please share with your neighbours.

Remember that kitchen items & heaters may not be plugged in!! They blow the breakers!!

The arena canteen is closed, but we will have a refreshment service during the show hours each day. The caterer makes a lovely donation to the Junior Handling fund, so please support the Juniors with their sales.

Arm bands can be picked up at the Show Secretary's table and will be used for the entire weekend.

This is a non-smoking venue. Please use the appropriate disposal of butts, do not throw them on the ground for dogs to step on or eat!

Outdoors

Weather.... Bring a variety of clothing as our weather, even in June, is unpredictable.

Remember we have included an outdoor ring, so prepare for that. The outdoor ring will have a tent, but it is NOT to be used for crating dogs. It is restricted for the ring officials and the ready ring.

Pop-ups will be allowed only in marked areas. They cannot be closer than 15 feet from the ring ropes. No tents will be allowed near the ready ring or judge's table. Check with the show super (Arletta) before you set up anything in the upper field.

No vehicles will be allowed beyond the parking lot (even for drop off) and this will be strictly enforced!

PS: you may want to bring bug spray!!

Remember this is a Self-cleaning show, indoors and out. If your dog messes in the ring, the ring steward will be happy to hold your dog, while YOU clean up. Cleaning supplies, baggies for outdoors, will be available in the ready ring.

There will be poop bags and garbage cans available outdoors for your use. Please help us keep the surrounding grounds clean. Please do not toilet your dogs around the outdoor ring and tent area.

Bathing of dogs is allowed but, it should be viewed as a privilege. Please clean up the area after use and do not leave the taps running. The arena is not on a city water supply.

We have been reminded that all doorways out of the arena are **fire exits and must be clear from vehicles. “No parking signs” will be posted and a **clear exit area will be enforced.****

Points of Interest

We have a retail booth coming in from Eastern Ontario with a variety of products, check them out!

The North Shore Kennel Club, a new club starting up, will be selling Tuna Fudge (for dogs) as a fund raiser. It is \$2 a bag and you can pre-order by contacting Denise Weston: dlweston@tbaytel.net

The Flat-coated Retriever Club will have tug toys for sale, as they are fund raising for their National Specialty being held at this show in 2020

Do not forget Grace's closet, they always have a lovely variety of show clothes both for the juniors and adults alike. There is a “meet the breed” seminar for all present and former juniors Friday night after BIS. See Patti or Megan for details. Pizza will be served.

Kakabeka Falls has great restaurants to check out and really, great ice cream stands.

The club is looking forward to a great show. We have a good entry and I know we can all welcome new exhibitors and out of town guests. Although there may be issues that arise, there is no problem that cannot be solved. Be courteous to all, and if you need assistance come to the show secretary's table. New club members are covering some positions they are unfamiliar with, so please be patient.

I hope I have not made errors in the judging schedule, but if you notice something, do not panic!!! Just email me and I will check your entries. Those little boxes do a number on my old eyes after a while. Please specify your name, email address and the dog's name so I have a reference to look items up. I honestly do not remember everyone's “special 4-legged sweetie” and their name and class, but I am always happy to help.

On behalf of the Thunder Bay Kennel & Training Club, welcome and let's have a fabulous show.
