Notice to Competitors – General Information

The trial will be run in accordance with CARO rules and regulations – the judge will explain the rules for the event during the judges briefing held immediately prior to it.

There will be ribbons for the high scores in each class, in addition to a qualifying ribbon that will be awarded to each dog/handler team who achieves a score of 170 or better. You will also receive your dogs score card for each run.

Physically challenged handlers are encouraged to participate. Handlers shall provide the judge with a written description of how they intend to perform any of the course exercises.

Dogs can compete on a flat buckle collar or snap collar or plain harness. No choke, martingale, prong or shock collars, head halters, or no pull harnesses are allowed. Leashes should be made of fabric or leather and be long enough to provide adequate slack. Dogs at the advanced or excellent level are not required to compete with a collar.

Food or toy as a reward is allowed at the novice and advanced level only, but cannot be used as a lure to help the dogs complete an exercise. The food, or toy, must be kept in the opposing pocket side from which the dog is heeling or it will be considered a lure. Any petting, touching, or feeding that significantly interrupts the flow of performance will be scored accordingly.

ABUSE TOWARDS JUDGES

An officiating judge, and/or the Chairperson of a trial may dismiss from the trial site any person subjecting the judge or members of the organizing committee to abuse, whether that person is competing in the trial or not.
