

**MAY 28, 2022**

We welcome you to our dedicated field trial in honour of  
Kevin Howarth and Gail Komadoski

It has been two years since we have heard the sounds of whistles, the claps of a job well done, the splashing of an entering dog into the water and the blasting of the guns that are the sounds of a field trial underway.

We hope during your time today you laugh, you encourage each other, you learn, and you take some time to take in the moments.

We know that Kevin and Gail are watching, so lets show them that we are back!

Please join us for a the Tailgate Dinner once our trial is over.
