Accommodations for Disabilities:

CARO welcomes and encourages the participation of all dogs and handlers. Should a dog or handler have a physical disability which prohibits the completion of one more station signs, modifications can be made to the course to reduce or remove components which are impediments to the team's performance.

Common modifications include:

- o Reducing the height or depth of the obstacles (e.g., jumps may be reduced to a pole on the ground)
- o Reducing the number of sits requested on the course
- o Allowing extra time
- o Minimizing the number of stations that include repetitive turns like spirals
- o Allowing for larger turns in stations such as at the 270-degree and 360-degree turns

Judges shall make reasonable time modifications for owners or dogs with limited mobility or for larger, slow-moving breeds of dogs.

Veteran dogs (7 years of age and older) do not require a modification request to reduce the height of jumps or depth of the broad jump.

Process to obtain a modification:

1. Final approvals for modifications are at the discretion of the judge.
2. Competitors must submit a request for a modification **with their entry form**.
3. The request should include:
 1. A description of the physical challenges involved.
 2. A description of the modifications being requested.
 3. Contact information to allow the judge to contact the competitor if needed to clarify information and discuss modification options.
 4. For dogs: In cases where the challenge may cause the dog to appear unsound, such as having an uneven gait, the request should be accompanied by a letter from a veterinarian which states that the dog is able to compete without discomfort. A copy of the letter should be included with each trial entry where the modifications are being requested.

Move Ups:

Same day move-ups will be permitted between trials. Please note that it is the handler's responsibility to inform the Trial Secretary before their next event.

Rosettes and Ribbons:

Flat ribbons will be awarded for qualifying scores only. A rosette will be provided for 1st to 4th in each class. New title rosettes will be offered for \$10.00 on day of trial only (exact change please).

Limited Entry:

Entry in each trial will be limited to the capacity of the judge to perform 7 hours of judging at the rate 15 dogs per hour less time for walk throughs in rally obedience. Once a judge has reached his/her capacity, entries for that trial will be closed even if the closing date has not been reached. In the case of the entry limit having been reached, remaining entries will be assigned a position (by class) on a reserve list. Exhibitors will be notified of their position on the reserve list. If the entry of a bitch in season is pulled after the closing of entries, it may be substituted with one from the reserve list up to and including the day of the trial. If the entry of another dog is pulled prior to the trial, it may be substituted with one from the reserve list up to 24 hours prior to the trial.

Bitches in Season:

Bitches in season are not permitted to compete. The club will refund entry fees in full.

It shall be the duty and obligation of the trial-hosting club to see that any judge, club official, ring steward, volunteer, or competitor at a Rally Obedience Trial held under these regulations, is not subject to indignities of any kind.
