“ We operate a small “ hobby “ kennel – raising purebred Shetland Sheepdogs and of course our back yard gets well used with the dogs – as well as ourselves .We usually keep around 6 to 8 adult dogs in our small kennel , along with a litter of puppies about once a year – so the lawn gets ”well used” to say the least. When we were introduced to the EZ CLEAN BIO ENZYME product – it was truly wonderful . This product , when used as directed ,totally eradicates odors from the grass. We have also found the product very useful in the house to “totally” remove pet stains due to the occasional accident in the house on carpets and floors- leaving no odor from the residue. The slogan “dirtier the better” is so true – it cleans everything!!- leaving behind a nice pleasant smell.”
