«An Open All-Age Stake at a Spaniel Field Trial shall be for all dogs at least 6 months off age, on the day of trial at which the stake is judge». (CKC Field trial rules & regulation, Chapter 10.4)

POINTS

Championship Points are awarded for placements in the Open All-Age Stake, provided there are ten (10) or more starters:

1st place – 5 points

2nd place – 3 points

3rd place – 2 points

4th place – 1 point

EVENT REGISTRATION NUMBER (ERN):

All dogs that are foreign born and foreign owned require an event registration number (ERN) to enable them to be awarded titles by the CKC. Dogs may be entered as “listed”; however, an ERN must be obtained within 30 days of obtaining points, awards or scores to avoid cancellation. Application forms may be obtained from the Field Trial Secretary. See CKC EVENT REGISTRATION NUMBER APPLICATION (ERN) form.

NON-MEMBER PARTICIPATION FEE

- a) An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. The fee will match the ERN fee.
- b) In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled.
- c) The Premium List must carry a note stating that "these fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members".

TEMPORARY COMPETITION NUMBER (TNC) replaces Listing fee:

The current system of entering events with «listed dogs» is being replaced with TCNs, and will allow dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN), which will be required to enter all events with closing dates after March 2, 2020.

A TCN must be obtained before submitting an entry and the same TCN must be used for all event entries for a dog until it is permanently registered with either a CKC number or an ERN. The TCN fee is \$12.00 per trial (i.e. per dog, per day).

To obtain a TCN:

First check the dog's profile on CKC to determine if CKC has already created a TCN for it.

If not:

- 1) Go to the CKC web site, click on forms, under Shows and Trials click Exhibitors. Find the Temporary-Competition-Number-Application Form. Complete the application form on line and the TCN should be issued instantly, or:
- 2) You may print the application form and submit it to CKC via mail, or:
- 3) You may contact Shows and Trials Division by telephone (1-855-364-7252) toll free or email information@ckc.ca.

There is no fee to obtain a TCN, however Exhibitors will still be required to pay TCN fees (formerly called listing fees) when entering events using this number. The current TCN fee is \$12.00 CDN per trial.

INDIGNITIES AND UNSPORTSMANLIKE CONDUCT:

CKC Sporting Spaniel Field Trial Rules and Regulations: 21.7

It shall be the duty and obligation of the trial-giving club to see that a judge, club official, field trial marshal, volunteer, gunner or competitor at a field trial held under these regulations, is not subject to indignities of any kind. The Field Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred. A copy of this regulation shall be prominently placed in every premium list and catalogue. 7.1 It shall be deemed unsportsmanlike conduct if a person during the running of or in connection with an event abuses or harasses a judge, trial official or any other person present in any capacity at the event. 7.2 Any handler who displays unsportsmanlike conduct or who is seen to kick, strike or otherwise roughly manhandle a dog while on the grounds of a Spaniel field trial at any time during the holding of the event, may be expelled from the trial by the Spaniel Field Trial Committee.

RISK

Since the field trial ground of Ste-Anne-de-la-Pérade is not in a humid / wetlands environment and is not in the hardiness zone of Quebec favorable to hazardous seeds / plants, the Field Trial community therefore considers the **absence of listed plant species**.

Because according to any risk assessment and management process the zero-risk «0» option (theoretical and technical) does not exist, the Field Trial community therefore considers (according to a risk matrix) that **the possible exposure risk is very low (very low risk)**.
