For the safety of everyone involved, the Saskatoon Retriever Club asks that all adult participants and spectators be fully vaccinated (at least 2 doses) against Covid-19 before attending this event.

Officials and participants are required to follow local and provincial Covid regulations.

1. Practice physical distancing, maintaining 2m between individuals whenever possible.
2. Hand sanitizer will be provided by the club for judges and workers. Anyone wishing to wear a mask should bring one for their own protection.
3. In some events handlers may be asked to show their bird to the judges and then deposit it in a pail next to the line
4. Special instructions from judges will be posted in the holding blind.
5. Realizing that trials are an opportunity to see friends that you may not have seen in a long time due to COVID, it is recommended that you refrain from hugging or shaking hands or other close contact with individuals not in your household. Maintain physical distancing.
6. Judges and throwers will each be given a bag lunch and drinks. All other workers and marshals should provide their own lunch and should maintain adequate distance from others while eating.
7. If possible, awards will be announced outside with physical distancing required and ribbons can be picked up from the awards table.
8. Participants are encouraged to gather outside to eat during the BBQ.
9. There will be hand sanitizer available in each outhouse. Disinfectant wipes will be in each outhouse.
10. Camping in the campground area will be allowed. It is recommended that socializing be limited to outdoor gatherings.
