## HOW TO ENTER MY DOG(S)?

All dogs must have a UKC number to enter.

See information here to acquire UKC number.

For ALL dogs

If your dog is not already registered, and you want to enter something within the next 4 weeks, you can obtain a Temporary Listing Number instantly on the UKC site, here: <https://www.ukcdogs.com/tl-numbers>. This TL number is good for an unlimited number of entries in any UKC event, until you apply for and receive a full registration. Any wins or titles you earn on a TL will be 'held' until you have full registration.

If your dog is CKC, AKC or FCI registered, you would apply for Single Registration, here: <https://www.ukcdogs.com/single-registration>. This permanent UKC number can be used in all events.

If your dog is not registered elsewhere, is a mixed breed, or has a disqualifying fault, you would apply for a Performance Listing, here: <https://www.ukcdogs.com/performance-listing> With a PL, you can enter all events except conformation.
