- Both Steeplechase runs are open to anyone who meets AAC eligibility requirements (the dog does not have to be entered into the BCY 2013 Regional Competition to enter the Steeplechase events).
- You will be able to earn an AAC Qualifying score in each class, based on AAC sanctioned rules for Steeplechase events
- Placement and Qualifier ribbons will be awarded

## SUNDAY EVENT:

In the interests of fun, excitement and darn it – something to do while we await the announcements of Regionals cumulative scores/placements, we are pleased to offer a Steeplechase Run-off event on Sunday, which will include a cash award for the first place winner in each height/division.

On Sunday, after all regional events are complete, the BCY 2013 Regionals Committee will host a Steeplechase Run-Off (non-sanctioned) based on the results from the two steeplechase events on Friday. To qualify for the money round on Sunday, you need to finish in the top 2 of your class of either of Friday's courses, whether you qualified for AAC purposes or not. If you finish in the top 2 in both Friday's runs, you still only get one chance to run on Sunday, but you have reduced the number of competitors you will be running against by keeping another dog out of that spot. There are potentially 4 competition spots in each of the 15 jump heights.

Each height and division will have their own cash jackpot based on the number of entries in the two Friday Steeplechase events. There will be no combining of heights or divisions.

There is no fee to enter the run-off round (but it is only open to those who are invited to run based on Friday's results). Qualifiers list for the Sunday event will be posted Sunday morning in the results area along with the jackpot amounts for each runoff. The K-9 Cliffhangers will be donating the net proceeds from the Friday Steeplechase events to the cash jackpots.

**SECURITY:** A wristband will be required for entry into the competitor's secure crating area. There will be security on site overnight around the competition rings and secure crating area. However, we must stress - **competitor's property on site is left at their own risk.**

**SHADE TENT/CRATING AREA:** Secure crating will be provided in the designated area. There will be unsecure crating in various areas in the grass around competition rings. Competitors must provide their own shade tents

**VENDORS:** There shall be NO unauthorized vending at this event, including competitors from their shade tents or crating stalls. Please contact Joanie-Leigh at [agilitynut@shaw.ca](mailto:agilitynut@shaw.ca) for vending/booth information.

**RAW FOOD:** Happy Dog Raw is the official Raw Food supplier of the Regionals and a Gold Sponsor to the event. For those of you from out of town that feed raw and would like to pick up your raw food onsite when you arrive -pre-order at [www.happydograw.com](http://www.happydograw.com)

## CONCESSION:

Lori's Donair will be onsite providing a variety of freshly made fare, including great donairs, burgers, fries and breakfast sandwiches and wraps.

### JUDGING RULES

For standard/jumpers rounds the following modifications to the existing AAC Rules for scoring a Master Standard/Jumpers rounds apply:

- Non-completion will not result in elimination (all instances 20 faults no max.)
- Elimination or dismissal will result in dog not scoring any points for that event.
- Competitors that do not run in an event will score no points for that event
- If a handler intentionally directs a dog to repeat an obstacle, the run will score no points and the dog and handler must leave the course at standard course time

For Gambler Rounds, judged at Masters Gamblers rules, except:

- All wrong/off courses after the closing gamble has begun (after the first gamble obstacle has been attempted) will be recorded as a failure to complete the final gamble.
- There will be no refusals called in either mini gambles or final gamble.
- If a dog takes two gamble obstacles in sequential order in the opening sequence the judge shall blow the whistle and the competitor shall retain all opening points up to that time.
- If the handler purposely touches the dog as a form of encouragement or reward in the opening sequence, the run instantly becomes an FEO run and scores zero points.
