AAC ID Cards:

If your dog does not already have an AAC number, please complete the “Dog ID Card Registration” form found on the AAC website. <http://aac.ca/en/Dog-ID-Registration>
All dogs competing in an AAC trial MUST have their cards with them at the trial. Pending entries are not accepted. Legs and titles will only be issued to dogs with a valid AAC ID number. *Please allow up to six weeks for processing and delivery of ID cards.* All dogs must have a (2018) AAC ID card.

Check In & Measuring:

Check in and Measuring will be offered Saturday Sept 17th and Sunday Sept 18th, 2022 at 8:00 am to 8:30 am each day in order to have an opportunity to receive a measurement from our judge. Dogs over 2 years of age must have at least one official measurement recorded on their Dog ID Card. Temporary cards issued during COVID to dogs under 2 years old can continue to be used until they reach 2 years of age at which point, they will require an official measurement. For dogs over 2 that have a temporary card from 2020, these are only valid until the expiry date noted on the card. After that date they will require an official measurement on their ID card. The club may not tick “height card viewed” in Agility Rocks trial software until the handler has a signed, permanent ID card.

	Regular	Specials	Veterans/JH	Double Drop Veterans/JH

Open: over 22"	24"	20"	20"	16"

Giant Breed Height Concession: For dogs measuring over 22". Dogs considered giant breeds (see list below) or mixed breed dogs resembling giant breeds in terms of weight to height ratio, may jump one or two jump heights lower than their measured Regular height when they compete in the Specials category. Dogs who have double dropped in jump height as a Special may enter the Veterans category and receive Veteran time at the age of five. *(They will not drop a third height)* For awards by jump height, giant breeds competing as a 16" Special shall be ranked with the other dogs in that same height and not in a separate category.

For a dog to be considered a giant breed, it must satisfy one of the following criteria:

Accessibility:

Senior Handlers (65+) and Handlers with Disability may request a modified course time and a modified points requirement. Proof of disability or age will not be requested, the handler must indicate on the entry form if entering as senior/disabled handler (check SD box) to receive modified times/reduced number of points. A senior or handler with a disability may use a motorized scooter (if facility allows), cane, walker or similar physical aid with them in the ring if needed. Handler will also be allowed to carry the leash in their pocket, scooter/walker basket, around their neck – anywhere that makes it easy to pick up and use at the end of their run. Gamble Class - Handler will be judged by where their feet are for the gamble lines, regardless of their physical aid conveyance if any. Handler's dog shall be entered at its current competition jump height and category; modified time and reduced point requirements are a concession for the handler, not for the dog. If the senior or disabled handler chooses this option on the Trial Entry form, the dog will be scored with an adjusted course time and/or modified points for games. The dog will still be eligible to earn a Qualifying score with the adjusted course time and/or modified points. The dog will be eligible for placements based on its unadjusted score, and an indication will be made next to the placement column that the time/points concession is to be used to determine a qualifying score. Handlers can choose to have this option at any given trial, provided they enter as a Senior/Disabled Handler for the whole of the trial. For Standard, Challenge, Jumpers, Steeplechase, GP and Team, the score table will subtract the time prior to scoring the run, regardless of whether the dog was under the SCT for that division and category or not. For Gamble and Snooker, the score table will add 3 points prior to scoring the run.

Bitches in Season:

Bitches in Season (BIS) may run at this trial. The following conditions will apply:

- * Handlers are required to notify the trial secretary that they will be running a BIS at the event as soon as it is known.
- * Competitors will be notified there is a BIS on site.
- * Handlers should minimize exposure of their BIS to other dogs and limit their movements about the grounds. BIS on site will be provided designated benching and walking area. BIS must use the designated BIS relief area.
- * BIS must start on a protective mat, provided by the trail, that will be used at the start line.
- * BIS will be required to run in protective panties. BIS must wear their protective "panties" when not running or within the designated BIS relief area.

- * "BIS" will be noted next to the dog's name on the gate sheet so that other competitors, ring crew and the Judge(s) are aware. BIS will run as a group at the end of each class.
- * Competitors with dogs that come into season will be allowed to withdraw and will be offered a refund or credit if they choose not to compete.

Team Relay: This game consists of 2 dogs, each with a different handler. The game demonstrates team spirit, strategy, and sportsmanship. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Level. This class is run in accordance with Masters Standard rules, regulations and course design guidelines.

Category Descriptions:

FEO (For Exhibition Only): Open to all dogs, 18 months of age or older with an AAC ID number, as described within the current AAC rules. The handler can choose to enter a dog FEO in any division, any class and/or any height but they will not be competing for placements, titles or prizes and the results will not be reflected on the dog's permanent record.

Regular Category: This Category is open to all dogs, 18 months of age or older, as described within the current AAC rules. Jumps are set at the height determined by their measurement. At the handler's discretion, the dog may also run with jumps set one jump height higher than its regular jump height.

Specials Category: The Specials Category shall be open to all dogs but is intended for dogs which are of a size or stature that limits their jumping ability. Once a dog has entered an official trial in the Specials class, they may no longer compete in the Regular class unless they make a special application entitled "Request for Official Move from Specials Class Level to Regular Class Level". This move may only be done once during a dog's career. Dogs must run with jumps set at one height lower.

Veterans Category: This Category is for dogs seven years of age or older. This class is also open to dogs five years of age or older who have been competing in the Specials class level for a minimum of twelve months.

Single Drop and Double Drop Veterans: All Veteran Category dogs must jump at least one jump height lower than the lowest of the two Regular jump height options (Single Drop Veteran Dog), and may jump two jump heights lower (when a lower jump height is available), at the handler's discretion (Double Drop Veteran Dog). Handlers can opt to have their dogs jump at either allowable height at any given trial, provided they enter and jump the same height for all classes at that particular trial.

Junior Handler Category: This Division is open to handlers under 18 years of age, as described within the current AAC Rules, with a valid Junior Handler identification number. Junior Handlers may run under Junior Handler rules or as a Junior Handler under regular rules. If under Junior Handler rules, titles are awarded to the Junior Handler, not the dog and the dog **MUST** jump one height lower than their Regular height with the option of one further drop.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.
