LIMITED ENTRY

When Judges' assignments have reached 7 hours, entries will close automatically, even if the official closing date has not arrived. CKC Rule 4.3.3.: The 7 hours is based on the formula of 9 Pre-Novice entries, 8 Novice entries, 7 Open entries, 6 Utility entries per hour and 20 dogs per hour for Rally. When the advertised limit has been reached, all remaining entries may be assigned a position (by class) on the reserve list. The person making the entry shall be notified of his/her position on the list. In the event the entry of a bitch in season is pulled after the closing date, it may be substituted with one from the reserve list up to, and including, the day of the trial.

BITCHES IN SEASON

Where a bitch comes into season after entry of the bitch has been submitted to the Trial Secretary, a veterinarian's certificate, certifying that the bitch was in season within the 10-day period preceding the trial, must reach the Trial Secretary on or before the date of the trial. The trial giving club will refund the entire entry fee.

TEMPORARY COMPETITION NUMBERS (TCN)

With the implementation of CKC's IT system, a new process requires all owners of unregistered, recognized breeds entering events to obtain a *Temporary Competition Number* (TCN). TCNs will replace the current system of entering events with "listed dogs" and will allow dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN).

A TCN must be obtained before submitting an entry for an event and the same TCN must be used for all event entries for a dog until the dog is permanently registered. Once a dog is permanently registered or has an ERN, the TCN will be replaced with the registration number or ERN. A TCN cannot be used for Listed Breeds (MCN) or dogs that will require a (Performance Event Number) PEN or (Canine Companion Number) CCN.

While there is no fee to obtain a TCN, exhibitors will still be required to pay TCN Fees (formerly called *listing fees*) when entering events using this number.

CANINE COMPANION NUMBER

A Canine Companion Number (CCN) allows mixed-breed dogs and unrecognized breeds to compete in CKC Agility Trials, Obedience Trials and Rally Obedience Trials.

To be eligible to receive a CCN, all the following must be met:

The dog must be either a Mixed Breed (a dog of unknown ancestry that belongs to no recognized breed and is not the result of selective breeding) or an Unrecognized Breed (a dog of known ancestry not on the CKC list of recognized or miscellaneous breeds and that is registered with a Registry recognized by the CKC) Mixed Breed dogs must be spayed or neutered. Unrecognized Breeds are not required to be spayed or neutered. The dog must be properly identified with a CKC microchip.

A dog that is eligible for a CCN may not be entered as a Listed Dog. Dogs may only enter an event after a CCN has been issued to that dog. Dogs with a CCN will be entered as All Canadian where the breed is indicated on the entry form and in the catalogue. The CKC may cancel any Canine Companion Number.

PERFORMANCE EVENT NUMBER

A Performance Event Number (PEN) allows a non-registerable dog of a CKC registered breed to participate in competitive events that are appropriate for the breed. Those events are as follow: Obedience Trials, Rally Obedience Trials, Tracking Tests, Herding Trials, Draft Dog Tests, Agility, Lure Coursing, Earth Dog Test, Hunt Tests, Working Certificate Test and Pointing Field Dog Tests.

To be eligible to receive a PEN, all of the following must be met:

The dog must be of a breed recognized by the CKC.

The dog, for one reason or another, must not be eligible for CKC registration.

The dog must be spayed or neutered.

The dog must be properly identified with a CKC approved microchip (not necessary for ILP dogs).

The dog cannot be on the CKC Miscellaneous Class List.

In case of a foreign-born dog residing in the USA, in addition to the above, the dog must have been issued an AKC ILP number.
