For Exhibition Only runs (FEO runs)

Under the CKC's new "show modeling" program we have been granted permission to offer FEO runs at these trials. No CKC number is needed to participate in FEO runs. CKC will not be tracking these scores nor will they count towards a CKC title, however SDKC will be awarding ribbons to qualifying scores. Exhibitors may enter FEO runs as many times as they like at a trial, at any level they like, provided that they offer evidence that the dog will have success at that level (The dog runs Masters at AAC and a person would like to run Excellent in CKC). It is recommended that the dog starts at the Novice level in the trial and progress. FEO entries MUST be received by the secretary no later than 15 minutes prior to the class you want to run in. SDKC reserves the right to refuse an FEO entry and also to decide when FEO entries will run. An FEO run will be accepted ONLY if there is room in that trial. FEO runs will run at the end of the jump heights within the correct class.

Mixed Breed Dogs

Under the CKC's show modeling program, we have been granted permission to allow dogs of mixed breed origin to participant in FEO runs. All FEO rules apply to this section as well.
