BITCHES IN SEASON POLICY

As per AAC Rulebook Update v. 8.7 (July 1, 2022), Love2Play is allowing bitches in season (BIS) to attend the trial site and to compete in this AAC sanctioned trial, using the following procedures:

- • Handlers are required to notify the trial secretary of a BIS at the trial as soon as it is known
- • Handlers of BIS must minimize exposure of their BIS to other dogs and limit their movements on the trial grounds
- • The handler of the BIS or the handler of any other dog may withdraw from the trial with a full refund if they choose not to compete because of the BIS
- • Competitors will be notified that there will be BIS on site
- • A protective mat shall be used at the start line. The handler is responsible for supplying their own mat in good repair and, cleaning it appropriately
- • BIS will run as a group at the end of each class
- • “BIS” will be noted next to the dog’s name on the gate sheet so that other competitors, ring crew and Judges are aware
- • BIS will be crated at or in their vehicle, isolated from other crating areas
- • BIS must use a designated walking and relief area
- BIS must wear well-fitted protective panties, specifically designed for the purpose of containing seasonal discharges. Panties may only be removed when running, when in the designated relief area, or when crated.
