With the implementation of CKC's IT system, a new process requires all owners of unregistered, recognized breeds entering events to obtain a Temporary Competition Number (TCN). TCNs will replace the current system of entering events with "listed dogs", and will allow dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN).

A TCN must be obtained before submitting an entry for an event and the same TCN must be used for all event entries for a dog until the dog is permanently registered. Once a dog is permanently registered or has an ERN, the TCN will be replaced with the registration number or ERN. A TCN cannot be used for Listed Breeds (MCN) or dogs that will require a (Performance Event Number) PEN or (Canine Companion Number) CCN.

While there is no fee to obtain a TCN, exhibitors will still **be required to pay TCN Fees** (formerly called listing fees) when entering events using this number.

All particulars called for on the entry form must be complete. Any telephone calls required to confirm information will be made COLLECT. Exhibitors must abide by errors made in entering their dog/s regardless of how or by whom the entries were made. No entry will be accepted unless accompanied by full entry fees. The B&DKC cannot accept fax or phone entries and reserves the right to refuse any entry, subject to CKC rules. If because of riots, civil disturbances or acts beyond the control of the Trial Committee, it is impossible to open or complete the trial, no refund of entry fees will be made. All entry confirmation and judging schedules will be e-mailed as soon as possible after entries close.

Attention U.S. Exhibitors: We will accept U.S. cheques (checks) as noted in entry fees. Due to the constantly fluctuating currency rates, discounted checks will not be accepted. Personal checks will be accepted; however, they must be made payable in U.S. funds in amounts noted under entry fees. Listing Fees: A CKC TCN fee of \$11.30 including HST Can. or US per dog per trial is payable with the entry fee if the entry of the dog does not include a CKC individual Registration number, PEN (Performance Event Number), ERN (Event Registration Number), or Miscellaneous Certificate Number (MCN).

Eligibility: To be eligible to compete in this trial, a dog must be at least 18 months of age and registered with the CKC or eligible for registration with the CKC, have a PEN, an ERN or have a CKC MCN (Miscellaneous Certificate Number). In addition, Mixed Breed with a CCN (Canine Companion Number) may compete. Bitches in season are not permitted to compete in the trial however, entry and listing fees will be returned, providing a veterinarian's certificate stating that the bitch was in season within the 10- day period preceding the trial is submitted to the Trial Secretary on or before the day of the trial. "It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer, or any participant at an event held under these rules, is not subject to indignities of any kind. The Agility Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit, on receipt of a report indicating that this has occurred". (4.1.3 t)

Changes in the 2023 CKC Agility Rules

Fix and Go On

At any time during a run the handler may immediately fix a single obstacle one time. The action shall be judged as an elimination, which shall be marked as an “FG” on the scribe sheet and indicated by the judge with raised crossed arms, resulting in a non-qualifying score (NQ). The handler may go back a few obstacles prior to the fix (to a maximum of 3). If a jump bar is knocked, the handler may reset it, but the reset is limited to one jump. The dog may not be verbally or physically corrected for the error. Weave poles may be immediately re-attempted three times and not be considered as “Fix and Go On”, but if the dog is brought back to obstacles prior to the weave poles, it will be considered the one-time Fix and Go On attempt. Once handlers have used the one-time Fix and Go On option, they must immediately finish the course or exit the ring. The judge shall not judge the dog’s run after the fix but will continue to watch the run to ensure that the handler is going on to complete the course correctly, is not using harsh commands or corrections and that the run is being done safely. The judge will immediately whistle to excuse the team from the ring for any of these infractions.

For Fun Only Class

A dog entered in any class at the trial, may be moved to FFO at the handler’s discretion during the trial. When the handler enters the ring, he must inform judge it is an FFO run, and the judge then tells the scribe who writes this on the scribe sheet, so the secretary knows. The secretary will note in the catalogue moved to “FFO”. The entry fee originally paid to enter will stand and the recording fee for that run will be paid to CKC as if the dog ran as entered.

Other Changes

- A-frame to be set at 5ft for dogs jumping 16”.
- Dogs and/or handlers may enter classes under a judge who resides in the same household or who is a family member, or a member of the same agility club.
- Handlers are allowed to carry a leash on their person during a run with the proviso that it is fully concealed.
- Ascending double jump is approved for use and may replace the Double Jump on a course. The Ascending Double Bar Jump consists of two ascending bars 5 feet in length where the back bar is positioned at the jump heights specified for the Bar Jump. The front bar is set 4” lower than the back bar. It may be built as a special jump or assembled from two Bar Jumps. In addition, one bottom bar, 5 feet in length, must be placed under the back bar and angled to the ground. All other specifications are the same as for the Bar Jump.
- *For the Intermediate level:* equipment includes Panel Jump or Wall Jump, Double Bar Jump or Ascending Double Bar Jump, one set 12 weave poles, used once
- No Backside approaches are allowed at the Intermediate level.
- *For the Excellent/Masters level* the table is optional.
- Two (2) spread type jumps may be used in succession in Excellent/Masters;
- There is a limit of 2 backside approaches that may be used on a course in Excellent/Masters.

Clubs may apply to the CKC to have courses designed by one judge and judged on site by a different judge. Both judges must be approved by the CKC. We will not be exercising this option this year.
