Background Information on Prairie Spaniel Club

The Prairie Spaniel Club has been hosting field trials on annual basis since 1989.

This club has successfully hosted trials of 35 dogs or more each year and, since its inception, has had regular attendance by both professional and amateur handlers across Canada and the United States.

Our motto has been:

- To provide handlers with hunting grounds that help them demonstrate their dog's hunting abilities.
- To provide the judges with the opportunity to observe each dog in a reasonable yet challenging cover.
- To provide the gallery with an opportunity to view the competitors and their dogs.
- To provide the competitors with facilities that meets their needs in a reasonable manner.

The committee can assure the following:

1. Room accommodations are within 30 km of the grounds.
2. A caterer will be on the trial ground each day.
3. Portable toilets will be available at each series site.
4. Designated parking for vehicles will be posted to ensure safe shooting for gunners.

Field Chairman- Alex Stewart

Secretary – Alice Stewart

Gun Captain Kevin Stewart – This national championship will be Kevin's 33rd national to shoot.

Game Steward -Bryan Stewart

Bird Planter- Doug Stewart

Prairie Spaniel Club will be hosting the 2023 National Open Championship at Vermilion Alberta.

The judges will be Dan Lussen and Shane Creswell

There will be an agronomist report posted of the fields that are going to be used as soon as the growth permits.
