Important Information

- Doors will open at 8am both days. Parking is in the angled permit parking lot in front of the main doors (with all the flags.) Enter the main doors and the gym is on your right.
- Ring set up will begin on Friday at 4pm followed by exhibitor set up.
- The American Cocker Spaniel Club of Canada will be hosting an Obedience Sanction Match Friday evening at 5pm. For more information or to register, please contact Alan Molloy at alanmolloy@gmail.com.
- If time permits, we will offer 5-minutes ring time for \$5 (cash only) after the end of the Sanction Match. Ring time will end at 7pm.
- Day of Trial entries for will be accepted up to one hour before the start of each trial. Entries may be paid in cash (exact change only) or by EMT to nkctreasurer@gmail.com with confirmation code provided to the Trial Secretary. Day of Trial entries are \$45 per run and \$15 per day for Exhibition Only. Please submit entries for Sunday before you leave on Saturday if possible.
- Changes of Entry (Move Ups) will be accepted up to one hour before the start of each trial. Please submit changes for Sunday before you leave on Saturday if possible.
- Crates and crate covers are strongly recommended for all dogs.
- It is of extreme importance that everyone is vigilant about ensuring their dogs are not peeing or pooping inside the building, nor against the outside of the building or too close to any entrances. Easy way to remember is to not allow your dog to pee on anything "man-made." If you see any poop, please pick it up, even if it's not yours – in Agility we call this "Adopt-a-Poop!" These issues are the #1 reason that clubs lose access to these facilities, as we just did last year. The Marine Institute is a beautiful facility, and they have been gracious enough to allow us to use their space for these trials. Anyone seen not picking up poop or allowing their dog to pee on the building or near the entrances may be ejected from the trial without refund and have their future entries rejected. There are tons of green spaces away from the building for potty breaks.
