Are you in the correct Class?

Selected Class: Any dog eligible to enter an agility trial may enter the Selected Class but can not be entered in the Selected Class and Regular Class at the same set of trials. Dogs entering the Selected Class must progress through the various levels beginning with the Novice level. Dogs will jump one jump height lower than its Regular jump height and get 10% more time than the Regular Standard course time. For full rules on the Selected Class please refer to the Official CKC Agility rule book.

Novice A is for persons and dogs that have never acquired an agility title in any country or with any organization.

Novice B is for agility instructors and judges, and for dogs that have acquired the Novice title, but have not earned a qualifying score in Agility Intermediate; and for persons who have previously exhibited a dog to an agility title in any agility organization.

Excellent A is for dogs that have acquired the Intermediate title, but have not yet earned the Agility Excellent title in either Standard or JWW.

Excellent B is for dogs that have acquired the Excellent title or the Master Excellent Title. A dog may move up into Excellent B in only the Standard or JWW class that they have earned an Excellent Title in. A dog only needs to be entered in Excellent B for the class that he/she has achieved the excellent title in. ie. A dog can be in Excellent A JWW and Excellent B Standard.

Veteran Class: a dog 7 years of age or older may be entered in the Veterans Class. Once a dog has been designated as a Veteran and entered in this class, the dog cannot revert/transfer back to the Regular or Selected Classes. The dog will retain titles and/or Qualifying scores towards titles accumulated. Dogs will jump one jump height lower than its Regular jump height and this class will get 10% more time than the Regular Standard course time. For full rules on these classes please refer to the Official CKC Agility rule & regulations.
