Summary of the 2020 CKC rule changes for Exhibitors

Prepared by Wendy Beard of the CKC Agility Council

For the complete rules please see the CKC January 2020 Agility Rule Book.

New Category

Senior Handlers and Handlers with Disability

- Senior handlers (65 years and over) and handlers with disability may request a modified course time or a modified points requirement (PAD) (see tables below).
- Proof of disability or age will not be requested by the host club. A handler must indicate on the entry form if entering as senior/disabled handler (check S/D box) to receive modified times/reduced number of points.
- The handler's dog shall be entered at its current competition jump height and category. (Time and points concession is for the handler)
- For Standard, JWW, Steeplechase and J&T, the score table will subtract the time prior to scoring the run, regardless of whether the dog was under the SCT for that division and category or not.
- For PAD, the score table will add 3 points prior to scoring the run.

Modified Course Times

CLASS	MODIFIED TIME (More Time Allowed)
Standard, JWW, Steeplechase, J&T	If course is under 150 yards, subtract 5 seconds from dog's time. If course is 150 yards or more, subtract 10 seconds from dog's time.

Reduced Points Requirement for Pad

LEVEL	REDUCED POINTS REQUIREMENT
Novice	3 points less (add 3pts to dog's total)
Intermediate	3 points less (add 3pts to dog's total)
Excellent/Master	3 points less (add 3pts to dog's total)

For Fun Only Class

- At the owner's discretion, dogs are able to run in For Fun Only (FFO) class in any category. The owner would be allowed to take their dog into the ring with a toy. Toys are allowed but the toy must be identified to the judge prior to entering the ring. A maximum course time of 60 seconds would be allotted.
- FFO entries must meet all eligibility rules as dogs running for Qualification. FFO runs may be allowed at the same or a lesser fee at the club's discretion.
- A handler may choose to enter a FFO dog in any class, in any trial, at any performance level and at any jump height. Obstacle repetition is permitted without dismissal. They are not allowed to enter the same class again for a qualifying run. Dogs must attempt to run the course as numbered and are under the same judging criteria as dogs that are running for qualification.

Grand Agility Master Champion (G.Ag.M.Ch)

The Grand Agility Master Champion recognizes dogs that show consistency and versatility across all classes of the CKC agility program.

The CKC will permit the use of the letters G. Ag.M.CH. signifying Grand Agility Master Champion title, to be used in connection with and before the name of each dog which has met the requirements for that title as hereinafter provided

To be permitted to use Grand Agility Master Champion title a dog must earn the following number of qualifying.

- 50 Qualifying scores in the Master Excellent Standard Class
- 50 Qualifying scores in the Master Excellent Jumpers with Weaves Class
- 25 Qualifying scores in the Master Excellent Points and Distance Class
- 25 Qualifying scores in the Steeplechase Class

Selected and Veterans will earn a title with the letter S or V after the title. Qualifying Scores previously earned in these classes will be used towards this title.

Competitors

- New category for Senior/Disabled Handlers
 - New option to run For Fun Only with toy at any height and in any class
 - Entry clarification: handlers may opt to enter their dog to jump at a higher height than their measured height for all Regular classes
 - Height cutoff changes for dogs 11" and under. Dogs measuring 11' and under jump a Regular height of 8". The Selected/Veteran height will be 4"
 - A select list of breeds, or mixed breed dogs that resemble these breeds in relation to weight to shoulder height ratios, are permitted (but not required) to jump either ONE or TWO jump height(s) lower than the designated shoulder height when they show in the Selected division. (See rulebook 8.5.5 for list)
 - The CKC will permit the use of the letters AG.M.CH2, and so on signifying an Agility Master Champion earned a second time, third or fourth time, to be used in connection with and before the name of each dog
 - New title Grand Agility Master Champion GAgMCh (see section 8.20)
 - No toys that make a squeaking sound are permitted within 15ft of the ring
- Time from end of walkthrough to first dog may range from 3-5 minutes. Time judging starts must be announced at the briefing.

Summary of the 2023 CKC rule changes for Exhibitors

Fix and Go On

At any time during a run the handler may immediately fix a single obstacle one time. The action shall be judged as an elimination, which shall be marked as an "FG" on the scribe sheet and indicated by the judge with raised crossed arms, resulting in a non-qualifying score (NQ). The handler may go back a few obstacles prior to the fix (to a maximum of 3). If a jump bar is knocked, the handler may reset it, but the reset is limited to one jump. The dog may not be verbally or physically corrected for the error. Weave poles may be immediately re-attempted three times and not be considered as "Fix and Go On", but if the dog is brought back to obstacles prior to the weave poles, it will be considered the one-time Fix and Go On attempt. Once handlers have used the one-time Fix and Go On option, they must immediately finish the course or exit the ring. The judge shall not judge the dog's run after the fix but will continue to watch the run to ensure that the handler is going on to complete the course correctly, is not using harsh commands or corrections and that the run is being done safely. The judge will immediately whistle to excuse the team from the ring for any of these infractions

For Fun Only Class

A dog entered in any class at the trial, may be moved to FFO at the handler's discretion during the trial. When the handler enters the ring, he must inform judge it is an FFO run, and the judge then tells the scribe who writes this on the scribe sheet, so the secretary knows. The secretary will note in the catalogue moved to "FFO". The entry fee originally paid to enter will stand and the recording fee for that run will be paid to CKC as if the dog ran as entered.

Competitors

- Competitors are now allowed to convert their run to FFO on the day. □
- Competitors are allowed a one-time "Fix and Go On" to repeat a completed obstacle on course.
- A-frame to be set at 5ft for dogs jumping 16".
- Dogs and/or handlers may enter classes under a judge who resides in the same household or who is a family member, or a member of the same agility club
- Handlers are allowed to carry a leash on their person during a run with the proviso that it is fully concealed.
