Notice to Competitors – General Information

The trial will be run in accordance with CARO rules and regulations – the judge will explain the rules for the event during the Judges briefing held immediately before it.

There will be ribbons and prizes for the high score in each class, in addition to a qualifying ribbon that will be awarded to each dog/handler team who achieves a score of 170 or better, you will also receive your dog's score card for each run you perform.

There shall be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. However, refunds will be issued for dogs that come into heat or are injured, provided a veterinarian's certificate is received by the Trial Secretary. Physically challenged handlers are encouraged to participate. Handlers shall provide the judge with a written description of how they intend to perform any of the course exercises.

Dogs can be shown on a flat buckle or snap collar or plain harness. No choke, martingale, prong or shock collars, head halters or no-pull harnesses are allowed. Leashes should be made of fabric or leather and be long enough to provide adequate slack. Dogs at the advanced or excellent level are not required to compete with a collar.

Food or toy as a reward is allowed at the Novice and Advanced level only, but cannot be used as a lure to help the dog complete an exercise. The food, or toy, must be kept in the pocket on the opposite side on which the dog is heeling or it will be considered a food lure. Any petting, touching, or feeding that significantly interrupts the flow of performance shall be scored accordingly.

ABUSE TOWARDS JUDGES

An officiating judge, and/or the Chairperson of a trial, may dismiss from the trial site any person subjecting the judge or members of the organizing committee to abuse, whether that person is competing in the trial or not.

Facilities: The event will be held indoors in a fully matted ring.

Please pick up after your dog, waste receptacles & bags will be provided. Dogs must be on leash when not in the ring.
