CKC CHASE ABILITY PROGRAM INFORMATION:

Participants: Chase Ability Program participation is open to **all** purebred and mixed-breed dogs at least 12 months of age that are individually registered with the CKC; or have an Event Registration Number (ERN); or have a Performance Event Number (PEN); or eligible for registration with the CKC; or have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed; or have a Canine Companion Number (CCN) if it's a mixed-breed. Note: Only dogs eligible for a CKC# or an ERN# can be entered as listed. Sighthounds are more than welcome at these events.

Dogs with breed disqualifications are eligible to enter. Females in season may not enter. An inspection committee, consisting of two experienced persons, shall inspect each entry for lameness, fitness to participate and females in season. If in the opinion of the committee, any entry is found to be lame, unfit to compete or a female is in season, it shall not be allowed to participate and the entry fees shall be refunded.

A dog may enter only once per event. Running order determined based on the entries received. Multiple entries from the same owner will be separated in the running order. The Chase Ability program is a pass/fail event. To earn a Pass a dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption. If there is a question as to which course a dog will run the judge will decide.

300 YARD COURSE: This distance is for dogs shorter than 12 inches at the withers or brachycephalic ("flat-faced") dogs. Dogs will run one loop.

600 YARD COURSE: This distance is used for all dogs that do not run the 300 yard course. Dogs will run both loops.

The course will be reversed for the second event. The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the event.

CAP RIBBONS AND TITLES: Gold qualifying ribbons will be awarded to dogs passing their test.

There are three titles dogs may earn doing the Chase Ability Program.

They are: **Chase Ability (CA)** awarded to a dog that passes the Chase Ability event three times under at least two different judges.

Chase Ability Excellent (CAX) awarded to a dog that passes the Chase Ability event a total of ten times (CA + 7 additional passes)

Chase Ability Excellent 2 (CAX 2) awarded to a dog that passes the Chase Ability event a total of 20 times (CAX + 10). For every further 10 passes the dog may add a higher number after the CAX (CAX 3, CAX 4, etc)
