Entries must be typewritten or CLEARLY printed, completely filled out and signed. Owners are responsible for errors on entry forms or where hand-writing is not clearly legible. No phone, faxed, emailed or late entries will be accepted.

A separate entry form for EACH dog in EACH test is required (on an official CKC Entry Form).

ERN's for foreign born or foreign owned dogs can be obtained from the CKC.

ERN must be applied for within 30 days of entering a CKC event.

**Bitches in season are not eligible for entry and are not allowed on or near the test grounds.**

Bitches may be subject to vetting.

Entry and listing fees paid for any dog withdrawn because of estrus, illness or death shall be refunded in full. An appropriate veterinary certificate must be given to the Test Secretary before the start of the test to qualify for a refund. All refunds must be requested in writing and once the catalogue has been printed, will be less CKC event fees and listing fees if applicable.

Males and females will run in the order of the draw or at the discretion of the Marshall.

Ducks will be used in all tests.

All participants and spectators shall wear hunting attire, dark or camouflage clothing.

There is no concession on the test grounds, but Tim Horton's and McDonalds are close by.

Official CKC Rosettes and duck bands will be awarded to all qualifying dogs at the end of the test day.

Section 2.5.1 - There shall be no training of dogs on the grounds of a hunt test, except for single training bumpers which are thrown by hand by the handler, either within 24 hours of the commencement of the event, or at any time during the event. The Hunt Test Committee is responsible for enforcement of this provision.

Section 2.5.2 - Electronic collars (either dummy or live) as well as prong or pinch type collars shall not be worn by a dog on the grounds of a Hunt Test at any time during the event with the exception of those collars designed to curb barking which may be worn by a dog while kenneled.

Section 20.7 - It shall be the duty and obligation of the event giving club to see that a judge, club official, volunteer or any participant at a hunt test held under these regulations, is not subject to any indignities. The Hunt Test Committee Chair shall promptly report to the CKC any infringement of this regulation and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred. A copy of this regulation shall be prominently placed in every premium list and catalogue.

The GRCBC is a member in good standing with the Canadian National Master Retriever Club. As of July 1, 2010 only passes at Hunt Tests hosted by clubs in good standing of the Canadian National Master Retriever Club are considered in determining eligibility to enter the National Master Hunt Test Stake.

PLEASE NOTE – the Non-Member Participation Fee was effective January 1, 2011. An Annual Non-Member Participation Fee for awards and titles will be charged to a CANADIAN NON-MEMBER OF THE CKC. The fee will match the ERN fee. In order to protect the awards/titles earned, the non-member will have a choice to either become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled. These fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.

# RAFFLE – 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Prizes

## **1st PRIZE: GUNNERS UP SON-OF-A-GUN WINGER**

We all need field training equipment to carry on in this great sport, what better way to support a local club and to add to your “equipment stash” than an expensive piece of equipment, which will do so much to improve your game.

*The new Gunners Up “Son of A Gun” (SOG) is the answer to all the requests we received for a smaller more compact launcher. The SOG is a smaller more compact version of our original Gunners Up Launcher coming in at 49 inches tall, 24 inches wide and 2 inches thick when folded. It will fit comfortably in most SUV's, Pickup Beds, and Dog Box Breezeways. The “SOG” and all 2006 Gunners Up Launchers feature stainless steel hardware, hinges, and pulleys to prevent corrosion and wear in any environment. Our newly designed release mechanism features a Servo driven release, 209 primer shot, and “Safety” latch to prevent launcher from firing prematurely.*
