ACCOMMODATIONS

There are motels & campgrounds available in Tofield, Camrose & surrounding area but due to Covid 19 restrictions availability may be limited

NOTE: The Black Nugget Campground is now part of the provincial on-line registration system

***Thanks so much to our landowners, the Burnstadt and Zeniuk families, who have so generously allowed us to use their land for our trial
Please respect their property & treat it as you would your own***

Best of luck to all dogs & handlers - thanks for joining us!

The Benn Memorial Trophy

We will be presenting the Benn Memorial Trophy to the Amateur high point dog & handler in our two all-age stakes

This trophy commemorates Gord & Marlene Benn, two of the longest serving & founding members of the Wild Rose Retriever Club. Enthusiastic sportsmen, respected Amateurs & students of the game they competed in field trials for many years with their beloved dogs, Clem, Code, Reba, Herbie, George & Emmy.

Generously donated by the Benn's daughters, Lesley & Krista, the trophy depicts a handler, bumpers in hand, sending his dog on a retrieve. Originally given to Gord for judging the 2007 National Open at Iron Bridge, it has been re-purposed as a memorial of the couples dedication to the sport we all love so much. Gun's Up!!!

THANKS TO THE NRCC SPONSORS

The National Retriever Club of Canada is dependent on financial support and contributions by its Major Sponsors. These sponsors allow the NRCC and its Member Clubs to hold quality events and to host the two Nationals each year. Please thank and support these Major Sponsors.

Field Trial Covid-19 Protocols

Please read the following protocols established to promote health & safety for everyone attending the trial. There may be some revision of these protocols to conform with provincial guidelines at the time of the trial. ***It is assumed that sending in your entry means you accept and will abide by these protocols.***

For the safety of everyone involved, the Wild Rose Retriever Club strongly recommends that all adult participants & spectators have received at least two Covid vaccinations before attending our event.

- If you are sick, please do not attend the trial. Anyone returning from international travel and required by law to self-isolate may not attend the trial. Entries will be refunded.
- All attendees (handlers, judges, marshals, gunners, helpers, visitors) are required to follow protocols that apply to the region (province) where the event is held.
- All attendees are encouraged to bring their own personal protection equipment (face covering, gloves, sanitizer) and essential supplies. All attendees may wear gloves or face coverings at their discretion when helping, in the gallery, or running a dog.
- We encourage all those participating to be respectful of the community they are visiting. If food or lodging is required, please research and arrive prepared.
- Practice physical distancing with individuals that are outside your bubble. Avoid congregating to the extent possible, only small groups of 2 to 6 people, keep 2 meters apart, avoid handshaking and hugging, and limit your time together, especially in the gallery.
- Where maintaining physical distance is not possible, it is recommended using a mask or face covering.
- Avoid touching dogs or equipment that are not your responsibility.
- Park with sufficient distance between vehicles if possible.
- Follow the marshall's instructions regarding running order and entering the holding blinds.
- Any special instructions from the judges will be posted in the last holding blind.
- Handlers will be invited to the line in smaller groups. It is possible, depending on your number, that you will not see the test dog run from line. You will have the opportunity to see other dogs run from the holding blind.
- Maintain adequate distance from the handler on line as blowing a whistle could project a vapour.
- Handlers will deposit birds in a bucket, for judges' inspection after the handler leaves the line to ensure physical distance is maintained.
- Judges are encouraged to bring their own equipment - judge's books, chairs, coolers, pens/pencils, flagging tape, sunscreen, bug spray.
- Hand sanitizer will be made available, but it is ideal to have your own personal supply.
- All shared equipment will be wiped regularly between users.
- If anyone is uncomfortable using any shared items/equipment, they are encouraged to bring their own.

Please do not be offended if you are reminded of these protocols during the event. ***"It's hard to teach old dogs new tricks"*** ... but we can all help each other to do so.

Please be respectful of the fact that other handlers may be practicing social distancing.
