Attention: Exhibitors

It has come to our attention at the last dog show, that there have been many rumors in regards to the benching and power at the upcoming Alberta Kennel Club's show on Jan 18, 19, & 20th, 2013 at Spruce Meadows Equi-Plex. This is a slightly smaller venue than the Big 4, which is a huge change for our club and our exhibitors. We feel we can accommodate 450 dogs fairly easily in this building, and parking is fairly close to the building in Lot 7.

First of all, we were very clear on our premium list that there would be LIMITED <u>RESERVED</u> BENCHING and <u>POWER.</u> Yes, we sold out very quickly!

We STILL have an area set aside for <u>UNRESERVED BENCHING</u>. This will be open on a first come, first serve basis, and will be marked out in 10 X 10 spots accordingly, please limit the use of X-PENS in this area. The AKC reserves the right to limit the number of X-Pens. We will endeavor to accommodate everyone with an Adequate Benching area. Please note that all X-Pens must have plastic underneath them and partway up the sides in this building, due to the wood floors.

Due to the huge demand for POWER, we have been working with Spruce Meadows for options. Therefore we have made the decision to offer **24 outlets** (30 AMP) in the unreserved area for $80, including GST. These outlets will only be available to be purchased on **Thursday Jan 17**, when we open the building for exhibitors to move into the UNRESERVED BENCHING AREA. The cost of **EACH OUTLET** is **$80.00** **CASH ONLY**! If you do not arrive with CASH, we will be forced to move on to the next person in line with cash. This is the only way we could make it fair for all. We can NOT accept Cheques or Credit Cards, sorry. Once you have purchased your power outlet, your name will be put onto our power grid and your outlet, until they are sold out. You are limited to 1 (one) outlet per person.

Thank you for your understanding, and we look forward to seeing you at our first "Winter Classic" at Spruce Meadows!

Sincerely,

Wendy Hamilton-Petkau
President
