Notice to Exhibitors

All dogs must have a NADAC dog registration number when entering a trial. Entries will not be accepted for dogs using "pending" in lieu of a number.

All dogs must be on leash when not competing in the ring.

Safety shall always be the foremost consideration in actions and conduct by handlers at all times.

The organizing committee may refuse any entry on the basis expressly provided through NADAC rules and regulations or guidelines established by NADAC. Anyone not currently in good standing with NADAC will not be allowed entry into the trial.

No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Tendering of an NSF cheque in payment of entry fees shall be considered non-payment of entry. **There will be a \$25 administration fee on all cheques returned to the club.**

The management will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause.

It is distinctly understood that every dog at this event is in the care, custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may at the discretion of the Show Committee be asked to leave the show site. In such case no refund of fees will be made.

There will be no refunds for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. Refunds may be given for certain circumstances in which case an administration fee of \$30.00 per dog will be charged.

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial. Exhibitors handbooks are available free of charge by downloading from NADAC's website at www.nadac.com. A hard copy of the handbook may be requested from NADAC, 5190 Neil Rd., Ste. 430, Reno, NV 89502. Free to members and \$5.00 to non-members.

General Agreement

I/we agree that the host of this event has the right to refuse this entry for cause which the organizing committee shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the event and of the opportunity to have the dog participate or be judged, I/we agree to hold the host, the organizing committee, the organization (if any) which it represents including its members, officers and directors, the North American Dog Agility Council and its' officers and directors, sponsors of the event, owners of premises upon which the event is held and their employees, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the event premises or grounds or near any entrance thereto, and I/we personally assume all responsibility and liability for any such claim; and I/we further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, appearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. I/we hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damages because of bodily injuries, including death at any time resulting therefrom, sustained by any person or persons, including myself/ourselves or on account of damage to property, arising out of or in consequence of my/our participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other person.

Proficient/Skilled Categories

Each class will be split into two categories, Proficient and Skilled. **You must choose one or the other for the entire weekend.** In the Skilled Category, dogs **must** jump 4" lower than indicated by the current jump height table (No dog may jump less than 4"). Dogs entered in the Skilled Category may incur 5 or fewer faults (course/time) and earn a 5 pt qualifying round in the Skilled Regular Class. They do not need to be measured at check-in. Dogs entered in the Proficient category may incur 5 or fewer faults (course/time) and earn a 5 pt qualifying round in the Proficient Regular Class.

Dogs over 9 & 12 yrs.

IMPORTANT

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels

Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
