## General Information

- Only those dogs registered with NAMBR (mixed and purebred) REGISTERED WITH NAMBR PRIOR TO THE CLOSING DATE of this test may be entered.
- Bitches in season are not permitted to complete the test. Where a bitch comes into season after the entry of the bitch has been submitted, a veterinarian's certificate, certifying the bitch was in season within the ten day period preceding the test must reach the Test Secretary on or before the date of the test, whereupon the entry fee will be refunded.
- Refunds will be provided for injured dogs upon presentation of a vet certificate.
- Entries will not be accepted unless accompanied by the appropriate fees. No post-dated cheques will be accepted. NSF cheques are subject to a \$50 charge. If you are sending your entry by courier, make sure a signature is not required as there is no one home during the day to sign for it.
- The host will use all reasonable care to ensure safety of dogs and handlers participating in the test, but will not be responsible for loss or injury to any dog, exhibitor or spectator.
- The Trial Secretary will have entire charge and control of the test.
- All dogs must be kept on a leash at all times and under control. **No flexi-leads permitted on the site.** Please clean up after your dog.
- A listing fee of \$2.00 per entry will apply for all NAMBR registered POD (Pure-bred Obedience Dog) entries. Listing fees are required to be remitted directly to the trial secretary along with the applicable entry fee.

## Test and Location Information

- Catalogue will be provided on date of the test.
- Advance entries will be acknowledged via email.
- Once again we are offering three tests on one weekend. Saturday's test will start with Introduction to Quarry at 9:30am, with Junior Earthdog following at approximately 10:30am, Senior Earthdog at approximately 11:30am and Master Earthdog at approximately 12:30, or after lunch. Times are estimates only and may change depending on number of entries received. Sunday morning's test will start at **9:00am**. Senior and Master will run concurrently, with IQ and Junior starting after Master and Senior has finished. There will not be a formal lunch break on Sunday. The second test will start after ribbons for the first test have been handed out and as soon as the dens are ready. For the second test, IQ, Junior and Master will run concurrently, with Senior to start once Master has finished. Please be patient with us as we try this format! We will also need volunteers to help relocate dens and act as den stewards for the various classes.
- Test will be held rain or shine. Refreshments will not be available so bring your (and your dog's) own food and water.
- It is recommended that dogs with no prior Earthdog experience enter the Introduction to Quarry Class. Dogs that do not pass IQ should not enter the Junior Earthdog test. If you are not sure how your dog will perform at the IQ level, you can advance enter Introduction to Quarry only.

Please note, the test grounds are the private property of Laurel Whistance-Smith, please treat with respect. Directions to the trial site are on the next page.

## Prizes

- A flat ribbon will be awarded for a qualifying score at the Introduction to Quarry, Junior Earthdog, Senior Earthdog and Master Earthdog level..
- A rosette will be awarded to dogs that obtain the Junior, Senior or Master Earthdog title.

We would like to thank Laurel Whistance-Smith for her hospitality and graciously allowing the use of her property for our trial.

Hosts: Deb Mahon, Rob Mahon, & Sue Godbehere
