MOVING UP

6.9.1 A dog that is registered in the records of the CKC with an eligible number according to these rules and has fulfilled the requirements for a title in accordance with these rules may be moved to the next level of competition if the schedule permits. The transfer must be on the appropriate move-up form and submitted to the trial secretary by the owner or handler at least 15 minutes before the start of the class.

6.9.3 The Trial Secretary shall amend the judge's book and the marked catalogue, which is to be sent to the CKC with the requests attached to the appropriate entry forms.

6.9.5 In order for a dog to be eligible to move up, the dog must be individually registered with the CKC, have a Performance Event Number (PEN), or an Event Registration Number (ERN) before entries close. The addition of a CKC number after close of entries does not make the dog eligible and will result in referral to the Discipline Committee.

The Obedience Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.
