CKC’s Newest Games

CLASSES: There now are 4 classes - Standard, Jumpers With Weaves, Points and Distance, and Steeplechase.

Points and Distance PAD – new game. This strategic game involves a point gathering component and a distance element.

Steeplechase– This fast paced new game is designed to test the dog’s ability to negotiate a jumpers style course while performing the A frame and weave poles

DIVISIONS: There are 3 divisions – Regular, Selected, and Veteran. A dog may enter classes in any division but may not move back and forth between divisions.

Regular division is for all dogs of any breed and any level and any jump height.

Selected division is for dogs that need more time or should not jump the regular jump heights. They run the same course as Regular dogs but jump one height lower and receive 10% more time than Regular division dogs. Starting January 1 2014, a dog entered in Selected may NOT go back to the Regular division. Dogs retain titles and qualifying scores accumulated in the regular division. They are NOT required to move to Novice when moving laterally to Selected.

Veteran division is for dogs 7 years or older. Veteran dogs may jump 2 jump heights lower than regular jump height and receive 10% more time than regular division dogs. Dogs cannot revert back to Regular or Selected divisions

LEVELS: . See your rule book for definitions of requirements in each level.

There are 4 levels in Standard, JWW, and PAD. Novice, Intermediate, Excellent, and Master Excellent. No levels in Steeplechase

Novice: A dog must be started at the Novice Level for each Class: Standard, Jumpers with Weaves, and PAD. A Selected or Veteran dog may start at the level it had attained in other divisions..

Intermediate: Is open to dogs that have acquired the Agility Novice title, and to those dogs which have acquired the Agility Intermediate title but have not yet acquired a qualifying score towards the Agility Excellent Title.
