## **Rules and General Information**

### **IMPORTANT NOTICE:**

#### **NEW TRACKING FEE FOR CANADIAN NON-MEMBERS**

Effective January 1, 2011, the CKC instituted a tracking fee for all Canadian residents who participate in CKC events, but are not CKC members. In order to cover the clerical costs of recording and tracking points and awards earned at CKC events, a participating non-member can choose to purchase a CKC membership or pay a dog specific tracking fee of \$57.60 plus applicable taxes. This only applies to dogs wholly owned by non-members and is not applicable to CKC members or dogs co-owned with a CKC member. In order for the CKC to efficiently manage recording and tracking points, it is important that non-members select one of the two options within 30 days of notification, or unfortunately, the points, awards and titles will be cancelled.

**Event Registration Number:** Every foreign born and owned dog that is entered in a Canadian Kennel Club event must obtain an [Event Registration Number](#) (ERN) within 30 days of that event. An Event Registration Number Application must be completed and submitted along with a copy of registration documents from a CKC recognized foreign kennel club and the required fee. Download the Event Registration Number Application from the online forms section under CKC Services or contact the CKC Order Desk at 1-800-250-8040

**Eligibility:** This test is open to all purebred registered dogs of sufficient height and weight that are physically capable of performing all of the exercises in a particular class, and that are eighteen months of age or older on the day of the test. Brace Draft Dog entries must have previously earned D.D. titles in order to enter the B.D.D. class. Re-qualifications will be accepted only after all untitled entries are included. Judges may excuse a dog at any time during a test for lack of physical capacity.

**Group Exercises:** Draft Dog Field Work and the Brace Draft Dog Field Work may be performed using the Group Option as stated in Section 11.2 of the CKC. Draft Dog Rules and Regulations, using the recommended methodology as stated in Appendix A.

**Closing Date:** 6:00 p.m. M.D.T., May 17, 2013 or when the limit total reaches seven hours of judging, even if the official closing date for entries has not arrived. If the limit is reached prior to the closing date, a list of alternates will be kept to fill any vacancies created up to and including the day of the test. Entry fees will be refunded following the test to all withdrawals replaced by an alternate and to all alternates who did not participate in the test. Requalifications are accepted pending "space available". Requalifications shall be judged as the last team in the level for which they are entered.

**\*\*Day of Test Entries:** The option of entering on the day of the test will be available for exhibitors if; the test has not reached its stated entry limits, and/or all alternates have been accommodated. **No** bitches in season will be accepted under this provision. Entries will be assessed a **\$25.00 additional fee**, and all fees for this entry will be made in **cash only**. Test entry will be assigned at the end of all the pre-entered dogs. Entry must be received **90 minutes prior to the start time of the test.**

**Confirmation of Entry:** After the closing date, all entrants and alternates will be notified by e-mail, post, fax, or telephone of their placement. A map and directions will be provided with this confirmation. Entries will be accepted on a first come, first served basis.

**Refunds:** It is the option of the exhibitor to request a refund for a bitch that has come into season, should they so desire. A veterinarian's certificate will be required for the refund to be issued. Otherwise, bitches in season may compete, but will be judged after all other entrants have been tested. Bitches in season must be kept away from the test site prior to being tested. Day of test entries will NOT be accepted for bitches in season.

**The Test Site:** This test is held in conjunction with the Northern Alberta Canine Association's shows and trials, and all rules and regulations pertaining to their site will be in force for this test. The Draft Test Committee will exercise due care and diligence for the welfare of all dogs entered, but will not be responsible for, nor assume any liability in the event of any accident or other misfortune to any dog, exhibitor or patron.
